Before THOMPSON, MARCOTTE, and ELLENDER, JJ.

WRIT DENIED.

The applicant, A & S Roof and Holdings Company, L.L.C. seeks supervisory review of the trial court's denial of its exception of lack of subject matter jurisdiction. The application lacks a copy of the petition and a copy of the memorandum in support of the exception, two documents upon which the trial court's ruling was based. U.R.C.A. 4-5(C) requires that an application for supervisory review contain a copy of each pleading upon which the trial court's ruling is based. On the showing made, the writ is denied.
